1. We are going to form the Elections Committee in today's DASB Senate and we need 3 ICC representatives that are not part of the executive board. The Elections Committee will oversee the General Winter Elections, which is a while down the line, but we want to at least get 3 people to fill it up for the time being.
2. Furthermore, in today's DASB Senate meeting, we will be releasing information about the much anticipated DASB Senate Midterm Elections, including dates and changes to the application. So for those who are interested or know people that are interested, please do come today to hear the valuable information.
