Report for Aug. 23, 2020

The Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) of March 27, 2020, directs institutions receiving CARES Act funding to submit a report to the Secretary of Education describing the use of funds distributed from the Higher Education Emergency Relief Fund (“HEERF”).

The CARES Act requires institutions to use no less than 50% of the HEERF allocation received from the CARES Act to provide Emergency Financial Aid Grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance such as food, housing, course materials, technology, health care and child care).

On April 9, 2020, the Department published documents related to the Emergency Financial Aid Grants, including a [letter](#) from Secretary Betsy DeVos, a form [Certification and Agreement](#) for signing and returning by institutions to access the funds, and a list of [institutional allocations](#). On May 6, the department published [further guidance and requirements](#) for disclosing the following information.

1. An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used, or intends to use, no less than 50% of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.

While HEERF student share dollars are not considered Title IV financial aid, the Department of Education's April 21, 2020 guidance states that students must meet requirements in Section 484 of the Higher Education Act of 1965 in order to receive HEERF emergency grants. Based on the number of students we have awarded Title IV aid, the total number of students potentially eligible to receive Emergency Financial Aid Grants is approximately 10,250.

- **Eligible students with an EFC of \$2,000-\$4,000 received \$500**
