COURSE OUTLINE – ELECTRONIC HEALTH RECORDS HTEC-D075.61Z CRN#47833

INSTRUCTOR: Marjorie Guanzon, CPC, CPC-H, CPCO guanzonmarjorie@fhda.edu

DAYS/HOURS: HTEC 75 will be held online synchronous Mondays 6:00 pm to 8:50 pm using Zoom (see Canvas for Zoom link).

Office Hours: Mondays 5:15pm to 6:00pm via Zoom

ADVISORIES: Can be taken concurrently with other HTEC courses.

DESCRIPTION: Throughout this course you are going to be exposed to some hands-on software utilizing EHR clinic to show you common software applications in a physician's office. The software will show you how practice management (PM) software is utilized and how electronic health records (EHR) systems are utilized. The class will be using the EHR system with Connect accessed through Canvas.

OBJECTIVES FOR CLASS:

The overall goal of this course is to help you achieve an understanding of PM and EHR systems used in the medical field. By becoming comfortable with and familiar with this system, you should find yourself a little more at ease with learning systems you may encounter in a physician's office.

STUDENT LEARNING OUTCOME (SLO): Illustrate competence in the implementation of EHR, creating new documentation in an EHR, setting up EHR software using clinical and administrative tools.

COURSE REQUIREMENTS:

- Attend Zoom meetings.
- Complete all assignments (exercises). Go to your Portal, click Canvas, click HTEC75 Electronic Health Records, then click Modules to see assignments (exercises) accessed through Canvas.
- Complete all 9 open book quizzes (accessed through Canvas)
- Complete the open book final exam (accessed through Canvas)

ATTENDANCE:

Attend scheduled Zoom meetings. Complete all exercises. Weekly open book quizzes completed on date required. Complete the final on the required date. As this is an online class, if you do not complete the weekly assignments and open book quiz on time for 2 consecutive weeks, and have not contacted the instructor as to the reason for late assignments, the instructor will need to drop you from the class; or if the date has gone beyond the date to drop, the student will need to withdraw from the class to prevent the student from receiving a failing grade.
